## HISTORY AND BACKGROUND OF THE DARRYL BROHMAN CUP

While still at high school, Darryl played first grade for Norths in the Brisbane competition and was developing into a skillful, ball-playing forward with a good kicking game. He was awarded the Norths Player of the Year in 1976 and won Brisbane's Rothmans Medal as the league's best and fairest player in the same year.

### PREVIOUS WINNERS

The competition is also unique in that the final result is decided upon by criteria, which recognizes both individual flair and team contribution. Value is also placed on behavior of the team's supporters and the way the coach and the team work together. The day is designed as a showcase for Junior Rugby League with enjoyment for all participants and education for prospective players and parents as the primary outcome.
